

June 22, 2020

Dear Friends and Family of Country Village - Woodslee,

We are very happy to share with you that on June 21<sup>st</sup> the Windsor Essex County Health Unit informed us that the most recent outbreak of COVID-19 at Country Village - Woodslee has been declared OVER.

It is thanks to the tremendous efforts of our entire care team, the support of our family partners, and the help of the broader community and our healthcare partners that we have been successful in the battle against this virus at Country Village - Woodslee.

We know that with the change in our outbreak status, you will no doubt hope to visit with your loved ones very soon. You can call Country Village at 519-839-4812 x 206 to book a time to visit with your loved one. We are now working through the details and revising our policies and protocols to ensure alignment with the directives of the Ministry and Public Health to allow this to happen at our home.

Our priority going forward is to ensure that our home remains free of COVID-19 and continue to protect the health and safety of our residents, staff and their loved ones. If you ever have any questions for us regarding the care of your loved one, the measures we have put in place, or would like to share your feedback on our response protocols, please don't hesitate to get in touch with us at 519-839-4812 ext. 209.

Sincerely,

Janet Carriere,

Executive Director
