

Errinrung

**Long Term Care Home
August - 2021**

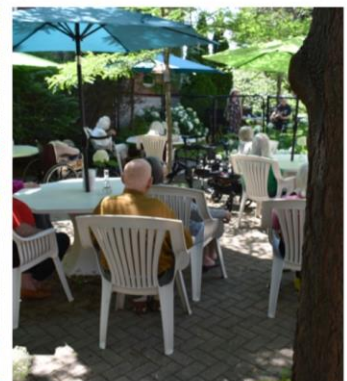

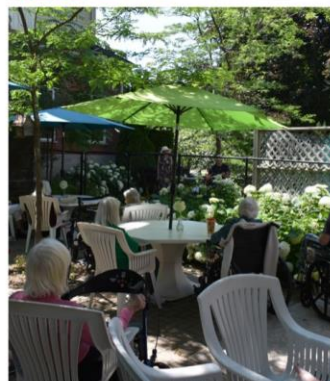

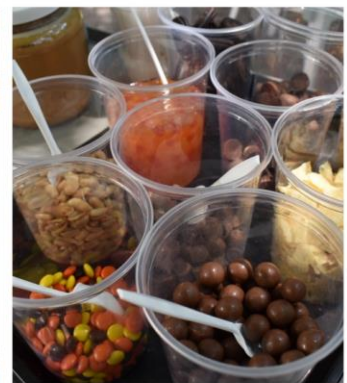

Wow cannot believe its August already! ☺ We have had a great summer so far and August is no exception! With Restrictions lifting we are finally seeing our volunteers and entertainers trickle back in! We enjoyed our first live entertainment on July 23rd and it was a hit! With music from Jim and Mary Lang we sat on the patio and munched on ice cream sundaes; it was so great to see the residents enjoying a live show for the first time since Covid! Better times are ahead and we thank our residents, families and staff for all they have done during this difficult time!

Hairdressing Services

We have had many questions about hairdressing services and with the lockdown ending Marion's salon was and still is very busy. With that being said they are making time for our residents and will be coming in on August 2nd and 9th. There is no need to sign up, each resident who has a contract for hair services is already on the list! Thank you for your patience ☺

Family BBQ 😊

Our annual family BBQ has been cancelled this year due to Covid, we apologize for any inconvenience this may cause. Instead we are throwing our residents a beach day with BBQ, games, and fancy cocktails on August 20th! Stay tuned for awesome pics! 😊

Breakfast Club!

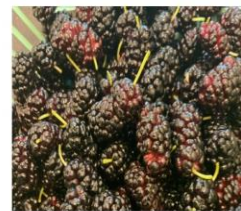

Our second breakfast club will be August 5th, we will be enjoying waffles, pancakes and other breakfast foods in our activity kitchen. We rotate which residents get to participate so if your loved one is not included they will be the next time!

Our New Canning Obsession!

If you would like to set up Skype please contact Kristina from programs (519) 599-2737 ext 6! The programs department would love to be able to help you video chat with your loved ones 😊

While the world is working to get back to normal we have gotten even more creative in delivering quality programs to our residents. Our newest obsession- canning! In July the residents worked at collecting mulberries off our tree in the backyard and then turned it into a beautiful mulberry jam that we have been enjoying over fresh bread! If you are interested in trying our creations or have suggestions for another safe canning recipe please contact Kristina from programs!

Vaccination Records for Animals

Now that we are allowed to bring back pet visits this is just a friendly reminder for staff and resident families to provide proof of up to date vaccination records for their animals. This is to ensure the safety of our residents. Also make sure animals nails are cleaned and trimmed as residents skin is very fragile. Please give vaccination records to our ward clerk upon arrival. Thank you 😊

August 3rd- Tour de Errinrung

August 27th- Supper Club
August 29th- Happy Birthday Dennis
August 31st- Piano with marion

Closet Cleanout

We know this year has been challenging for some families in terms of visiting loved ones but we would like to remind families that residents clothing should be rotated and taken home with the change in seasons. For example winter clothing taken home in summer etc. We would also like to remind families that due to safety reasons we cannot store things on top of the wardrobes. The next time you are in please take a look 😊
Thank you!

If you need us....
