September – 2021

SEPTEMBER

Its September already and where has the summer gone!! As we start to move into a new normal the programs department is excited about bringing back in musical entertainment, musical therapists, and even animals!☺ We are also planning a family BBQ for caregivers, staff and residents on September 30th from 12-4. Please let programs department know by September 17th if you are able to make it. We will be getting a food truck and musical entertainment so come out and lets have some fun with our residents! ☺ Please RSVP to Kristina in programs at kmarquis@southbridgecare.ca or ext 6.

Scarecrow Invasion at Errinrung!

Due to covid the scarecrows will not be invading the city of Meaford this year! This news comes with great sadness to our residents as they genuinely look forward to this event every year! We in the programs department decided to get creative and have our own scarecrow invasion and have a catwalk to model the scarecrows before putting them up for our residents. If you are interesting in making a scarecrow or volunteering an afternoon to help our residents make one please contact Kristina in programs! ☺

Music Therapy

We are super excited because as fun as it was listening to our music therapist virtually every week, she will be back in September live! Stay tuned for more details 😊
