August 21

Leaving Tracks Music

August 31

Tattoo Shop

Visiting Information

Please be prepared to bring proof of your vaccination status. Staff will be asking all visitors on a go forward basis.

Visitors who are fully immunized may have physical contact, including non-care related reasons with a fully immunized resident. They may also enter the dining room, and join in activities with the residents. A mask is **ALWAYS MANDATORY** whether the visit is indoors/outdoors and regardless of vaccination status.

Visitors who are not immunized can have a brief hug with a resident and then maintain 6ft distance for the duration of visit.

Those that are not "Essential Caregivers" are considered general visitors. General Visitors need to call and book an appointment 24 hrs. in advance for both indoor and outdoor visits. Please pass this information on to family & friends.

Essential Caregivers and visitors should please consider meal times when planning a visit. Breakfast 8:30am-9:30am, Lunch 12:00pm-1:00pm and Supper 5:00pm-6:00pm. Our staff are assisting residents in the dining room and may be unable to answer the door. Therefore it is best to come before or after meal times.

Thank you

If you have any questions regarding visits, please contact Jenna at (519) 371-1441

Family Council

Georgian Heights is interested in **re-starting** our Family Council.

Our Mission: is to provide a sensitive and caring support for families and friends of new and long term residents. We want to ease the stress of admission and transfer, create new friendship bonds and provide a safe and knowledgeable forum for the concerns of families.

Purpose: to be informed of the ongoing operations of the home and make recommendations on behalf of the council in the following areas: MOH inspections, Accreditation surveys, concerns, quality improvement stats, volunteer input, program development, resident council issues, fundraising and more.

Please consider joining Family Council!! The more the merrier. Speak to Jenna for more information. Thank you☺
