# HOME'S UPDATES

## **PARKING LOT SHUT DOWN NOTICE!!!**

On Wednesday August 11<sup>th</sup> 2021 from 8am-2pm, the parking lot will be closed off to allow Regional Crane Rentals LTD. to proceed with the roofing replacement.

Also, we must shut down the whole building's power for max 45 minutes Monday, Aug 9 and or Tuesday, Aug 10 to add new electrical breakers for the new HVAC unit and to meet safety requirements. Please note measures are in place to ensure our residents safety during this time.

## **RESIDENT SUPPORT ATTENDEES** **"RSA"**

The RSA's program is fully implemented in the home and has proven successful. There is an increase in the number of residents' engagement in all the 5 holistic domains.

Not only are the residents being engaged physically, intellectually, emotionally, socially and spiritually, but they are also being accompanied in their self-directed initiatives. The time given to our residents by the RSA is nothing short of devotional.

## **CONNECTIVITY/ VISITS**

If you wish to connect with your loved ones through Facebook Messenger and Facetime, contact the Programs department to set up a time. You can also book your indoor and outdoor visits on the following application: [marochelmanor.simplybook.me](http://marochelmanor.simplybook.me) we typically approve within 24hr.

Please note all visitors are required to follow the screening protocol. Unvaccinated visitors must take a rapid Panbio test.

When exiting the home it is essential that you kindly make sure **NO** resident has followed you out. In the event a resident walked out of the building while you are entering or exiting please seek assistance and report it IMMEDIATELY, so we may take the appropriate actions!

***We hereby thank you for your vigilance and due diligence as we work together to ensure a safe environment for all!***

Thank you for your cooperation.

## **Nursing Updates**

A reminder to keep on practicing good hand hygiene as it helps minimize the spread of germs and bacteria. Friends and family members are encouraged to refrain from coming to the home if they begin experiencing any of the following Influenza symptoms:

**-Runny Nose -Severe Cough -Sore Throat -Fever -Nausea/ Vomiting (at least 24hrs) -Diarrhea -Chills -Muscle or joint aches and pains.**

**\*If you think you may have been exposed to the Covid-19 Virus, please self-quarantine and call your local Public Health unit for further directives.**

## **Inventory form**

When bringing clothing articles or items for your loved ones, we recommend you continue to fill out a Personal Clothing Form, for identification purposes and for record keeping. You can ask the screener or the Office Manager for the form. All items received by the screener will be quarantined for 72hrs before being released to the resident. \* **Please plan your birthday & special gifts accordingly\***
