

Shelburne Retirement

May 2021

News

We celebrated Blue Jay Home Game Opener here at the home last month, with a Ball game lunch, handing out Blue Jay hats, trivia games and the game on T.V., which was great fun.

We continue to try and activities to incorporate social distancing. We will continue to have ice cream delivered room to room, bingo in the dining room and exercises in the hallway. There are also special days on our calendar for the resident to enjoy.

Note from Executive Director

Hello all!

It has been some time since we sent out a newsletter, and we are happy to get back into a bit of routine.

I would like to share with everyone that we continue to work with our local Public Health, and our corporate leader to keep our home safe. We have, and continue to implement infection control measures within the home. Please reach out to us should you have any questions or concerns regarding our safety measures.

Please take care, and be safe!
