

To The Wonderful Staff at The Palace

Thank you so much for your care
for my little brother, (Mike) Michel.
The compassion you gave certainly went
above and beyond. The love and care
shown to him will certainly be always
remembered.

Michel will very much miss the time he
spent at The Palace. He was very happy
and loved his home. A great long term
care facility with Amazing staff makes
all the difference in a loved ones
quality of life, and Michel lived a full
wonderful life.

Your support to me during his last
day was full of compassion, understanding
and reassurance.

Thank you again to a really great
team for all your kindness & hard work.
It has been greatly appreciated.

Mike's sister Debra, Ernie, Bro-in-law,
Nancy Alycia.

THANK YOU

 so much.

To the Activity team, Carol & all
all the nurses, and staff.
(too many to name).

Debra, Tina Thank You.

Debra.
